Mrs. Pollard opened the discussion about the Jog Road entrance median landscaping enhancement while keeping in mind the line of sight. The Committee discussed various plants. Mr. Turner suggested using Spindle Palms, Bottle Palms or Copernicia Palms that are a minimum of 4 to 6 feet. Mr. Turner also suggested annuals or a ground cover. Mr. Turner will get some prices on the Bottle Palm, Podicarpus and the Azora.

Mr. Turner also suggested planting in the median in front of the Maintenance building.

Mr. Eustace reported that the area between Fairway Oaks and Oakbrook has been cleared and looks great.

#### Committee Members' Comments

Ms. Schulman suggested either moving the Boca West Entrance alert sign [on Glades Rd] or trimming back the hedges so that it is more visible.

Mrs. Pollard reported that a resident submitted a request to have shade trees planted all along Boca West Dr. The Committee discussed the request. Mr. Turner advised that there are a lot of utilities along the road which makes planting large trees not feasible. Mr. Turner will call the resident to speak with him.
