Committee Members' Comments

The Committee asked questions and Mr. Turner answered accordingly.

Mrs. Schulman asked about the plastic ducks. Mr. Turner advised that they are the markers for the Villages intake for irrigation and are the responsibility of the Villages. Mrs. Schulman also asked about using rubber mulch. Mr. Turner does not recommend using it as it is very expensive and does not stay in place when trimming or when using air blowers.

Mrs. Pollard advised the Committee to contact her with any questions or suggestions.

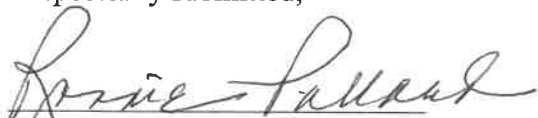

Mr. Glazer made some suggestions on several different landscaping issues. Mrs. Pollard will take them under advisement.

The meetings will be held the third Tuesday of every month during in-season at 11:00 AM.

With no other business to discuss, the meeting was adjourned at 1:48 P.M.

Next Meeting: Tuesday, October 25, 2022 @ 11:00 A.M.

Respectfully submitted,

Ronnie Pollard, Chairperson
