GOLF CARTS “RULES OF THE ROAD”

BWMA roadways and paths are used extensively by vehicles, bicyclists and pedestrians. “Sharing the Road” with courtesy while traversing these areas is critical to accident prevention. Below are the Rules of the Road pertaining to Golf Carts:

1. Golf carts may be used on the roadways, golf courses (with the approval of the Country Club) and all carts registered to residents must be insured for a minimum of \$300,000. Liability insurance coverage must provide for access over all areas in Boca West, not only golf courses and BWMA’s path system.
2. Operation of golf carts is permitted during the hours between sunrise and sunset. Golf carts may be driven at night only if equipped with headlights, brake lights and turn signals.*
3. When traveling on the roadways, carts must remain on the far right edge of the road headed in the same direction as motor vehicles and must yield to motor vehicles, bicyclists or pedestrians. Return to the turf area or golf cart path as quickly as possible. Indicate turns by using standard hand signals.
4. Children under 16 may not operate a cart. No child is permitted to sit on the lap of the cart operator.
5. The number of people allowed in one cart must not exceed the manufacturer’s recommendation.
6. **Signing this form guarantees that your cart is properly insured. All carts are required to carry a minimum of \$300,000 liability insurance, and verbiage stating coverage includes cart operation while on the golf courses as well as on the paths, streets, roads and parking areas throughout our gated community.**
7. Indemnification: Every owner of a personally owned golf cart within Boca West agrees, by virtue of and as a condition to owning, operating and maintaining said golf cart within Boca West, to indemnify and hold harmless the Boca West Master Association, Inc., and its officers from and against any and all loss, liability, damages, costs and expenses related to or arising out of injury to or death of persons, or damage to property occasioned by, resulting from or arising out of the ownership, operation and maintenance of said privately-owned golf cart within Boca West.
